General Purpose:
An Accounting Analyst II is responsible to the County Superintendent and works under the direct supervision of the designated manager(s). The Accounting Analyst II provides comprehensive accounting support for Placer County Office of Education's (PCOE) programs and mandated financial services for inter-governmental operations involving the office of the County Treasurer, County Auditor and other Local Education agencies of Placer County. The Accounting Analyst II is expected to complete fundamental professional accounting functions and identify problems that may exist. The Accounting Analyst II performs complex accounting functions; analyzes financial reports for accuracy and compliance with State mandated requirements; designs, implements and maintains a variety of complex financial and statistical spreadsheets; works with program and district staff to develop and monitor district, program and grant budgets; prepares journal entries and reconciles financial ledgers. The Accounting Analyst II position requires performance of the more complex Accounting Analyst duties.

Essential Functions and Responsibilities include the following. Other duties may be assigned as required:
• Assists with analyzing financial reports for accuracy and compliance with State mandated requirements.
• Designs, implements and maintains a variety of complex financial and statistical spreadsheets.
• Calculates and apportions interest earnings.
• Prepares a variety of State mandated and grant financial reports.
• Works with employees, including district staff, and provides instruction regarding State accounting requirements and procedures.
• Ensures proper filing of forms and reports with the State.
• Maintains State apportionment and specialized spreadsheets.
• Receives and distributes incoming funds to appropriate accounts in accordance with entitlement documents or transmittal letters.
• Maintains apportionment records and prepares necessary reports.
• Processes and balances the payment of salaries and benefits employing good internal controls and maintaining accurate payroll records as specified by law.
• Analyzes a variety of payroll related information (e.g. time sheets, status forms, health and welfare benefit deductions, direct deposits, wage attachments, etc.) for the purpose of ensuring accurate payment of wages.
• Ensures compliance with Internal Revenue Service, Franchise Tax Board, Workers Compensation, PERS, CalSTRS, Education Code, and Labor Law regulations regarding payroll issues.
• Researches and resolves payroll related issues.
• Calculates and submits quarterly tax returns and state reports; processes annual W2 forms; prepares and submits Employment Development Department reports.
• Makes health and welfare benefit payments to vendors while ensuring appropriate contributions are collected from employee and employer accounts based on current memorandums of understanding and board policy.
• Prepares documentation for wire transfers of funds and coordinates transfers with the County Treasurer and County Auditor.
