

JOB DESCRIPTION
July 2018

Placer County Office of Education
360 Nevada Street
Auburn, CA 95603

WEB APPLICATIONS DEVELOPER I, II & III

General Purpose:

A Web Applications Developer I, II & III is responsible to the County Superintendent and works under the direct supervision of the designated manager(s). The Web Applications Developer I, II & III designs, develops, documents, and supports internet technology applications and database driven websites; performs a variety of professional, technical and analytical services involving web site and database programming; assists users in the development, modification, and troubleshooting of client-server database applications; and prepares program documentation and operating procedures.

Essential Functions and Responsibilities include the following. Other duties may be assigned as required:

- Assists other personnel for the purpose of supporting Placer County Office of Education (PCOE) staff and clients by designing, developing, producing and supporting database driven web sites to meet current and future program needs.
- Coordinates with other staff for the purpose of application training.
- Evaluates database integration, performance, integrity and security for the purpose of managing hardware/software configurations, including set-up, maintenance, back-up and purchase of hardware/software equipment upgrades.
- Prepares written materials (e.g., reports, memos, letters, etc.) for the purpose of preparing documentation for completed systems and programs.
- Recommends and develops standards, policies and procedures for the purpose of implementing database systems and technology in a client-server environment.
- Researches new technology for the purpose of developing web site and database administration procedures as well as develops flow charts, operating instructions and user manuals.
- Supports PCOE web site for the purpose of designing, developing and producing intranet applications as well as internal operations and local area network administration.
- Maintains current knowledge of program rules and new legislation, and distributes information to managers.
- Drives throughout the county/region for business purposes.

Minimum Qualifications:

Employment Eligibility:

- Successful candidate must provide proof of employment eligibility and verification of legal right to work in the United States in compliance with the Immigration and Reform and Control Act.
- Must have access to reliable transportation for travel.

Education:

- A Bachelor's Degree in a related field is preferred.

WEB APPLICATIONS DEVELOPER I, II & III/PAGE 2
