COORDINATOR, CURRICULUM AND INSTRUCTION

General Purpose:
A Coordinator, Curriculum and Instruction is responsible to the County Superintendent and works under the direct supervision of the designated manager. The Coordinator, Curriculum and Instruction is responsible for supporting curriculum, instruction, professional development, as well as the unique educational needs of students K-12 through the Placer County Office of Education (PCOE) Education programs, selected school district sites and other institutions. This is a certificated management position.

Essential Functions and Responsibilities include the following. Other duties may be assigned as required:

- Provides coordination, assistance and support for programs within the Leadership and Learning Collaborative, including but not limited to, intern credential programs, preliminary credential programs, and induction programs for both general and special educators.
- Implements a continuous improvement process for educator preparation programs that identifies program areas of strength and areas for growth and makes appropriate program modification based on those findings.
- Develops and implements planned sequences of coursework and job-embedded experiences to support educator preparation programs.
- Supervises and trains program coached and faculty and provides performance feedback.
- Designs professional learning activities for candidates, coaches and faculty in PCOE LLC programs.
- Coordinates and manages assigned LLC programs and ensures compliance with state and federal guidelines.
- Develops, facilitates and implements Universal Design for Learning professional development and coaching.
- Facilitates the training and implementation of systemic instructional strategies.
- Provides and supports learning strategies at all levels of Multi-Tiered Systems of Support framework.
- Assists schools/districts in the design and implementation of high quality English Language Arts (ELA) and English Language Development (ELD) programs.
- Develops, plans and implements professional development and coaching in ELA/ELD.
- Provides technical assistance for identified schools and districts to support the implementation of core ELA/ELD curriculum, instruction and intervention.
- Establishes and maintains clear communication and cooperative working relationships with a variety of educators, Local Education Agencies and stakeholder groups.
- Facilitates meeting and group processes for various educational audiences.
- Coordinates, designs and delivers coaching systems and professional learning to improve student and teacher performance.
- Develops trusting and reflective partnerships with teachers and administrators.
- Coordinates curriculum development, classroom management, instructional strategies, assessment of student performance and all aspects of professional development in multiple content areas.
- Develops and facilitates regional coaching professional development and Professional Learning Communities.
