**Responses to questions for RFP 23-104 and 23-107**

Q: What is the correct support period you are looking for firewalls? On the page 5 of RFP 23-104 document description says 3 Years, part numbers and description in table on page 18 says 5 Years.

**A: *We are looking for pricing for both a three year and five year option. We will make our decision based on the responses submitted.***

Q: Are some of the Firewalls going to be installed in High Availability mode?

**A: *No***

Q: What is the correct amount of APs, mount brackets and Aruba Central Licenses Foundation you are looking for? Quantities differ on pages 5 and 18 of RFP 23-107 document. Please advise.

**A: *We are looking for a quantity of 20 AP's.***
