__Question__:

Thank you for the opportunity to bid on your pending IT/technology needs. As a distributor specializing in both new and refurbished products across IT/systems/computer/telecom/AV/networking categories, we provide an extensive range of hardware, software, spare parts, upgrades, peripherals, networking, storage, servers, printers, and consumables/supplies. How do we go about being added to your vendor/bidder list for future needs?

Can you please send us a copy of this pending IT/TELCOM/A-V RELATED BID, or is there a web link you can provide?

Also, what about smaller non-bid items (p-card type purchases, refurbished parts, hard to find items, end of life band-aids, etc)?

Does that go through the IT folks directly, or, does it funnel back around to the Procurement side???

Lastly, we are very interested in any SURPLUS EQUIPMENT you may be interested in liquidating—please be sure to forward us any lists/details!!

Thanks again for your interest in 9TO5COMPUTER!

Answer: All RFP's are posted on the USAC web portal as well as the district website. All instructions for responding to the RFP are listed in each RFP.
