

Public Notice and Posting
Placer County Office of Education

The Placer County Office of Education (PCOE), in keeping with its ongoing efforts to serve all members of the community, is updating its Americans with Disabilities Act (ADA) transition plan and self-evaluation. The accessibility plan provides a comprehensive plan for access for individuals with disabilities to County Office facilities, programs, services, activities, events, and digital communication.

The PCOE is seeking input from agencies, organizations and individuals with disabilities. As an agency, organization or individual, the value of stakeholder guidance will help to address and prioritize current and future needs. Individuals who would like to provide input are invited to complete a survey, call or email the ADA Coordinator. Surveys are available for organizations that represent individuals with disabilities, patrons, community members, employees, and other interested individuals who wish to participate in the evaluation.

Your comments and opinions are important to us and will provide valuable information regarding how the PCOE can better serve individuals with disabilities. Surveys are available from the County Office's ADA Coordinator.
