

WE INVITE YOU TO ATTEND THE PLACER COUNTY COMMUNITY ADVISORY COMMITTEE (CAC) MEETING

What is the Community Advisory Committee (CAC)?

The CAC is composed of parents (typically of students receiving special education supports and services) representing each school district in Placer County, along with community members or district staff who support students with special needs and their families.

The CAC serves as an advisory committee to the Special Education Local Plan Area (SELPA) in reviewing local plan policies and procedures to ensure that parents' perspectives are considered in the provision of programs and services throughout Placer County.

When do you meet?

The CAC meets every other month on Wednesday mornings during the school year in Placer County. Members of the Placer County SELPA staff also attend. Please see the calendar for times, locations, and topics.

Why do you meet?

The purpose of the committee is to plan activities to support positive communication and collaboration between parents and school district staff. Additionally, the committee participates in training on the special education system and ways to support children in their education.

All parents, educators, and community members are welcome to attend the monthly meetings of the CAC!

By attending Placer County CAC meetings, you can:

- * Receive information about programs, services, and resources
- * Receive training and skill building
- * Find support and connect with other parents
- * Have the opportunity to raise questions about common issues

For questions about the CAC, or to receive information about upcoming meetings or activities, please contact:
