Programs and Services Overview  
2021-22

## Subsidized Child Care Programs

The Placer County Office of Education (PCOE) receives funding to provide financial assistance to families needing child care who are working, seeking employment or attending school/training.

Funding is limited and there are some eligibility requirements, but all families are encouraged to complete a child care assistance application for financial consideration.

## Child Care Resource & Referral

Placer County Office of Education offers a wide range of services to parents and child care providers including providing referrals for licensed child care, assisting new child care providers with business practices, providing educational materials and conducting workshops throughout the year on a variety of topics.

Resource & Referral Services are available at **no cost** to families.

## Family Child Care Provider Partnership

The Family Child Care Provider Partnership (FCCPP) is a subsidized program with Placer County Office of Education. The program is for children of income-qualified families where parents are working, seeking work, in training, qualify due to incapacity, or are under child protective services.

Care is provided in pre-selected family child care homes who are licensed with the State of California and provide quality early care and education based programs for children birth to kindergarten entry.

These providers receive support from Placer County Office of Education (PCOE) to provide high quality environments and educational based care, which include infant/toddler, preschool education and kindergarten readiness.

## FCCPP Programs

- General Child Care (CCTR)
- Early Head Start (EHS)
- Head Start (HS)
- Family Child Care Home Education Network (FCCHEN)

## Preschool Programs

Placer County Office of Education, Early Childhood Education (PCOE|ECE) offers high quality preschool programs for three and four-year-old children that prepare children for school success. Children learn pre-academic skills including reading, science and math, social skills such as art and dramatic and outdoor play.

We offer part day and extended day classes. Head Start services are available at some locations. Children with disabilities are welcome.

### Preschool Locations:

- Auburn
- Colfax
- Kings Beach
- Lincoln
- Rocklin
- Roseville

There is no cost for preschool or child care for most families. However, depending on the program chosen and family, there may be a small co-payment.

**Nutritious snacks provided.**
