

# STATE AND FEDERAL NETWORK

*Leslie Wriston, Director, Continuous Improvement and Support*

The PCOE State and Federal Programs Network meets monthly following the CDE State and Federal Directors meeting. We provide current and accurate information for program directors responsible for oversight of federal categorical programs and state requirements. Meetings include pertinent and timely information on topics related to categorical needs, programs, compliance, and other related items. In addition, the meetings provide an opportunity to meet and share ideas with people who have similar responsibilities within other Local Educational Agencies (LEAs).
