

Natural Disaster Referral System

NATURAL DISASTER REFERRAL SYSTEM

Like many communities in CA, Placer County has experienced devastating wild fires that have displaced many families and students. In order to help with enrollment needs, emergency shelter information, and up-to- date school information, PCOE developed a Natural Disaster Referral System.

NATURAL DISASTER REFERRAL SYSTEM

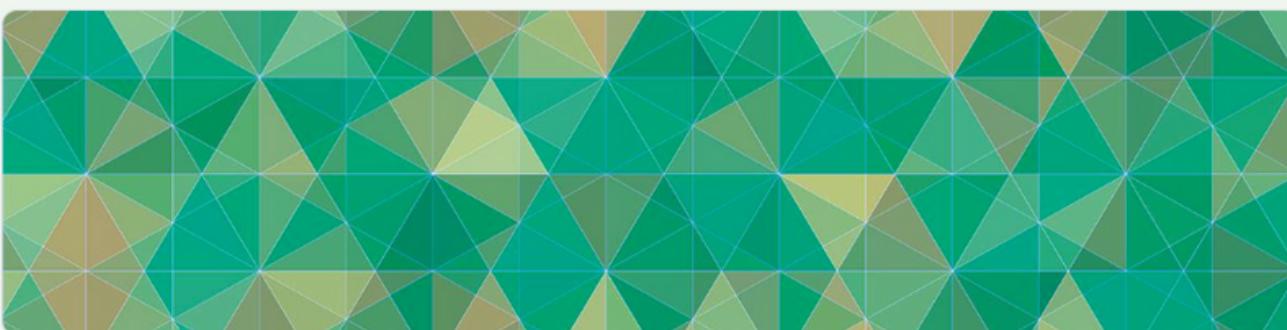

The Google Form covers the following prompts:

- Contact info for referring party, and student/family
- Family/Demographic/School info
- Reason(s) for referral/Primary need/services requested
- Detailed info on how we can help
 - school supplies
 - school enrollment
 - local shelter information
 - educational updates
