

Placer County Special Education School Accountability Report Card Reported Using Data from the 2019-2020 School Year Published During 2020-2021

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

School Description and Mission Statement (School Year 2020-2021)

Mission Statement: The Student Services Department will increase student achievement through meaningful and rigorous instruction for all students.

The Placer County Office of Education Special Education Department provides a full range of services designed to meet the needs of students with moderate to severe disabilities throughout the Placer County. Placer County Office of Education (PCOE) is a member of the Placer Special Education Local Plan Area (SELPA). PCOE's programs provide classes and services that use evidence-based approaches in structured, positive learning environments to support each student in meeting his or her Individual Education Plan (IEP) goals and objectives. Students are served on 10 school campuses. By offering a range of settings, our special education programs can address each student's individual educational needs. During the 2019-2020 school year, 156 students (kindergarten through age 22) were enrolled in Placer County Office of Education Special Education Programs.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Credentials

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Other Instructional Materials (School Year 2020-2021)

Year and month in which data were collected: 12/2020

Placer County Office of Education held a public hearing on September 10, 2020 and determined that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California.

PCOE serves districts' most severe students in our special day classes. For students at Onorato, PCOE uses current, state-adopted and IEP-driven texts and materials which allow them to access content area standards and curriculum. Students integrated on districts' sites have use of those schools' state-adopted textbooks and instructional materials, and materials pertinent to their IEP goals and objectives. PCOE students with moderate-to-severe disabilities use CCSESA-Lakeshore-SEACO's Core Content Access and Instructional Best Practices. Several students' disabilities necessitate they utilize computers and adaptive technology devices, including large print and Brailled materials, video technology, FM systems (audiological technology), and other specialized equipment to access curriculum and instruction.

All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption. The table displays information (as of December 2020) about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

Subject	Textbooks and Other Instructional Materials/year of Adoption	From Most Recent Adoption?	Percent Students Lacking Own Assigned Copy
Reading/Language Arts	Unique/2014	Yes	0
Mathematics	Unique/2014	Yes	0

Note: Cells with N/A values do not require data.

School Facility Conditions and Planned Improvements

The Placer County Office of Education (PCOE) takes great efforts to make sure all its school sites are clean, safe, and functional. To ensure these goals and objectives are met, PCOE employs custodial & maintenance staff or contracts with partner districts for nightly cleaning services and routine maintenance of all facilities it owns, leases, or operates. Each facility is inspected on a yearly basis on or about July 1st of each school year. Routine maintenance of HVAC, electrical, painting, plumbing, grounds, and general building up keep are planned according to industry standards and specifications. A work order ticketing system is available for staff to submit repair and safety items that need to be addressed.

School Facility Good Repair Status

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

Year and month of the most recent FIT report: 11/5/2020

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Mathematics (grades 3-8 and 11)		N/A	24	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Career Technical Education Programs (School Year 2019-2020)

As part of students' IEPs, students participate in career awareness, exploration and preparatory activities in school and community-based settings. Work experiences are provided through the Workability program, and students participate in various on-the-job training experiences. Job coaching is provided during this process. Transition plans are developed to help students transition to post-secondary education/training and workforce opportunities.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-2021)

Each program's administrator works in partnership with parents and staff to increase parent involvement and maximize educational opportunities and services for our students. Parents receive continuous information about their child's progress toward attaining IEP goals and objectives, appropriate California academic content standards and the services provided to support their success in our settings and beyond. In addition, IEP meetings are scheduled at least annually and more frequently if needed, to develop students' Individual Education Plans and to foster collaboration between home and school.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates.

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Graduation Rate	--	--	--	66	70.5	69.6	82.7	83	84.5

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	2.6	2.5	3.4	2.1	3.5	3.5
Expulsions	0.0	0.0	0.0	0.0	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	0	1.3	
Expulsions	0	0.1	

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

School Safety Plan (School Year 2020-2021)

All Placer County Office of Education (PCOE) school sites are in progress of updating their 2020-2021 comprehensive school safety plan in accordance with Superintendent Policy 0450 and in order to fulfill the requirements of California Education Code 32280 through 32289. In compliance with SB 187 the plan will be reviewed and revised annually for each school site by the School Site Council/School Safety Committee, reviewed in consultation with law enforcement and first responders, and approved by the County Superintendent of Schools by March 1, 2021. Site safety plans are aligned with the National Incident Management System (NIMS) and California Standardized Emergency Management Systems (SEMS) utilizing the Incident Command System (ICS). Each document is prepared for the use of employees at a specific school site in the event of an emergency, disaster, or crisis situation.

At the beginning of each school year, School Site Councils/School Safety Committees update their site specific Emergency Plan. The site specific Emergency Plan includes the site safety plan, Placer County Office of Education's Disaster Plan, updated site maps/evacuation routes, and Emergency Medical Services Authority (EMSA) Emergency First Aid Guidelines for California Schools. Schools are issued first aid kits and "grab and go" emergency packs in the event of an evacuation and Emergency Supply Kits for use during lock downs or shelter in place situations. In addition, our school nurses work with staff & parents/guardians of students with special needs in order to provide medical emergency kits in accordance with their Individualized School Health Plans.

The safety plan was last approved by the County Superintendent of Schools in February of 2020.

Number of school days dedicated to Staff Development and Continuous Improvement	3	4	4

PCOE provides four professional development days annually, in addition to monthly professional development opportunities.

Current professional development includes: Professional Learning Communities (PLC), implementation of the Common Core Standards, professional development related to Positive Behavior Interventions and Supports (PBIS), Alternative and Augmentation Communication, the Unique curriculum, and The Nurtured Heart discipline.

All staff are required to report performance and data collection. Placer County Office of Education's Educational Services Department and the Special Education Local Plan Area both offer numerous classes and workshops to meet the needs of teachers and instructional assistants. New teachers receive support through the Teacher Induction Program.
