Principal's Message

Dear iLearn Families and Community,

Thank you to all of our families who spend the time to read through the many ParentSquare messages that come each week. I realize when they come out within days of each other, it can be a bit overwhelming to keep up with messages as they ping your emails and phones, but your responses have been extremely valuable and sometimes can help us with our planning for the 2026-2027 school year.

January and February are the months when we start planning for the 2026-27 school year. From budgets to parent input meetings, each opportunity to think ahead toward another new year fills us with excitement for what is coming next.

In addition to our regular feedback requests, we will also be sharing links to the California Healthy Kids Survey (CHKS). This important survey includes:

- A student survey for 5th through 8th graders
- A parent survey
- A staff survey

For parents of our 5th and 6th-graders, you will receive a message soon requesting that you provide active permission for your students to take the survey. There will also be a link to the survey itself, which parents are encouraged to review.

For parents of our 7th and 8th-grade students, keep your eyes peeled for a message reminding folks that your 7th or 8th grader will automatically take the survey UNLESS you fill out the form indicating that you choose to withdraw them from participation.

The information gathered from the CHKS helps inform decisions and provides valuable feedback about how we are serving our students and families. Your participation is critical in shaping the future of our programs.

So, with that in mind, look for more requests for feedback about our program, and start thinking of what you would like to see happen in your school. Your input is extremely valuable!

Have a great week!

Thank you!
Your Proud Principal,
Andy Wood

School News and Information

Bobcats of the Week

Each week, our Hybrid teachers are recognizing one (1) student from their class for being either Kind, Safe, or Responsible. Students' names are then displayed on a slideshow on our TV on our first floor hallway. At the beginning of each month, we will do a random drawing during our Tuesday morning announcements where the previous month's students will have a chance to win a small prize.

Students Nominated for the Week of January 6

Waylon Stuck (Hard worker) - Kindergarten
Adrian Darby (Responsible) - Grade 1
Emmett Bourland (Responsible) - Grade 2
Lila Yetter (Responsible) - Grade 3
Abby Fish (Responsible) - Grade 4
Colt Ashmore (Kind) - Grade 5
Baylee Vockrodt (Kind) - Grade 6
Kenso McCarville (Responsible) - Grade 7
Reagan Albrecht (Responsible) - Grade 8

2026-2027 Re-Enrollment

Secure your student's spot for next year!

Re-enrollment for the **2026-2027 school year** is open until **Friday, March 6**

Detailed instructions on how to complete the re-enrollment process can be found [here](#).

- No returning next year? Fill out [this form](#). Parents of 8th grade student do not need to fill out this online form.
- Enrolling a sibling next year? A ParentSquare post was sent out on Wednesday, December 17 outlining the instructions for enrolling a sibling.
- FAQs and open enrollment information for new students who have never been enrolled with us can be [found here](#).

Did You Miss Picture Day?

Unfortunately, Lifetouch Photography no longer offers a Make-up Picture Day.

However, if you'd still like to have a picture of your student inserted in the yearbook, please [e-mail Kimberly Berryman](#) a photo that you would like us to use. Deadline to provide a photo is March 26th.

Volunteering on Campus & Attending Field Trips

All parents/adults who wish to volunteer on campus as well as attend and/or drive to field trips must be fingerprinted. Please follow [these procedures](#) to be cleared as a volunteer. This process only needs to be completed one (1) time as long as your student(s) are continuously enrolled at iLearn.

Medications on Campus

If your student request **any kind of medication** while on campus (**including over-the-counter**), parents/legal guardians must have their child's physician fill out a [Medication Order and Request Form](#). Procedures can be found on Page 15 of the [Parent Guidebook](#). **DO NOT** send your student with ANY medications until you have received clearance from our school nurse.

Thank you to our families and community for your support of this year's Fun Run. We are pleased to share how the funds have been allocated so far:

- \$250 — Provided to each teacher to purchase classroom supplies
- \$3,200 — Purchased multiple bulletin boards for school hallways
- \$200 — Supported the Middle School Bobcat Shop
- \$3,000 — Funded an assembly for the 2026–2027 school year
- Read-a-Thon Prizes — Covered prizes for student participation and achievement

We appreciate your continued support as we work to enhance our students' learning environment and school experience. More updates will be shared as additional projects are completed.
