Hybrid Academy Supply Lists

2022-2023

Voluntary Class Supply List: California law states that school districts must furnish the necessary supplies needed for classroom use. The items on this supply list are recommended/optional supplies. We are asking for voluntary contributions of these items from our families. Providing these items is voluntary. If, for any reason, parents choose not to send supplies, the necessary items will be provided for all students. Thank you for your support!
