**Purpose:** The Arts and Music in Schools Initiative (Prop 28) provides funding to supplement arts education programs. "Arts education program" includes (but is not limited to) instruction and training, supplies, materials, and arts educational partnership programs for instruction in dance, media arts, music, theatre, and visual arts, including folk art, painting, sculpture, photography, craft arts, creative expression including graphic arts and design, computer coding, animation, music composition, ensembles, script writing, costume design, film, and video.

**Additional resource:** [California Arts Standards for Public Schools, Prekindergarten Through Grade Twelve](#)

The 2019 California Arts Standards for Public Schools, Prekindergarten Through Grade Twelve (Arts Standards) update the four arts disciplines—dance, music, theatre, and visual arts—and include new standards for media arts as a discrete discipline. The Arts Standards reflect the fundamental belief that every child should have equitable access to high-quality, standards-based arts education to thrive and participate in modern society.
