

Placer County Special Education School Accountability Report Card Reported Using Data from the 2018-19 School Year Published During 2019-20

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2019-20)

Mission Statement: The Student Services Department will increase student achievement through meaningful and rigorous instruction for all students.

The Placer County Office of Education Special Education Department provides a full range of services designed to meet the needs of students with moderate to severe disabilities throughout the Placer County. Placer County Office of Education (PCOE) is a member of the Placer Special Education Local Plan Area (SELPA). PCOE's programs provide classes and services that use evidence-based approaches in structured, positive learning environments to support each student in meeting his or her Individual Education Plan (IEP) goals and objectives. Students are served on 10 school campuses. By offering a range of settings, our special education programs can address each student's individual educational needs. During the 2018-2019 school year, 140 students (kindergarten through age 22) were enrolled in Placer County Office of Education Special Education Programs.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Credentials

Teachers	School 2017-18	School 2018-19	School 2019-20	District 2019-20
With Full Credential	19	24	22	49
Without Full Credential	2	2	1	1
Teaching Outside Subject Area of Competence (with full credential)	0	0	0	0

Teacher Misassignments and Vacant Teacher Positions

Indicator	2017-18	2018-19	2019-20
Misassignments of Teachers of English Learners	0	0	0
Total Teacher Misassignments*	0	0	0
Vacant Teacher Positions	0	0	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

Year and month in which data were collected: 12/2019

Placer County Office of Education held a public hearing on September 12, 2019 and determined that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California.

PCOE serves districts' most severe students in our special day classes. For students at Onorato and Secret Ravine, PCOE uses current, state-adopted and IEP-driven texts and materials which allow them to access content area standards and curriculum. Students integrated on districts' sites have use of those schools' state-adopted textbooks and instructional materials, and materials pertinent to their IEP goals and objectives. PCOE students with moderate-to-severe disabilities use CCSESA-Lakeshore-SEACO's Core Content Access and Instructional Best Practices. Several students' disabilities necessitate they utilize computers and adaptive technology devices, including large print and Brailled materials, video technology, FM systems (audiological technology), and other specialized equipment to access curriculum and instruction.

All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption. The table displays information (as of December 2019) about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

Subject	Textbooks and Other Instructional Materials/year of Adoption	From Most Recent Adoption?	Percent Students Lacking Own Assigned Copy
Reading/Language Arts	Unique/2014	Yes	0
Mathematics	Unique/2014	Yes	0

School Facility Conditions and Planned Improvements (Most Recent Year)

The Placer County Office of Education (PCOE) takes great efforts to make sure all its school sites are clean, safe, and functional. To ensure these goals and objectives are met, PCOE employs custodial & maintenance staff or contracts with partner districts for nightly cleaning services and routine maintenance of all facilities it owns, leases, or operates. Each facility is inspected on a yearly basis on or about July 1st of each school year. Routine maintenance of HVAC, electrical, painting, plumbing, grounds, and general building up keep are planned according to industry standards and specifications. A work order ticketing system is available for staff to submit repair and safety items that need to be addressed.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

Year and month of the most recent FIT report: 11/1/2019

System Inspected	Rating	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	
Interior: Interior Surfaces	Good	
Cleanliness: Overall Cleanliness, Pest/ Vermin Infestation	Good	
Electrical: Electrical	Good	
Restrooms/Fountains: Restrooms, Sinks/ Fountains	Good	
Safety: Fire Safety, Hazardous Materials	Good	
Structural: Structural Damage, Roofs	Fair	Some district location portables need dry rotted siding replaced - in progress
External: Playground/School Grounds, Windows/ Doors/Gates/Fences	Fair	Onorato Educational Center exterior support columns need re-painting.
Overall Rating	Good	

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students

Grades Three through Eight and Grade Eleven

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
English Language Arts/Literacy (grades 3-8 and 11)	--	--	39	41	50	50
Mathematics (grades 3-8 and 11)	--	--	25	24	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in ELA by Student Group

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Test Results in Mathematics by Student Group Grades Three through Eight and Grade Eleven (School Year 2018-19)

Career Technical Education Programs (School Year 2018-19)

As part of students' IEPs, students participate in career awareness, exploration and preparatory activities in school and community-based settings. Work experiences are provided through the Workability program, and students participate in various on-the-job training experiences. Job coaching is provided during this process. Transition goals are set to help students transition to post-secondary and/or job opportunities.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement (School Year 2019-20)

Each program’s administrator works in partnership with parents and staff to increase parent involvement and maximize educational opportunities and services for our students. Parents are encouraged to participate as volunteers in their children’s classrooms and community setting. Parents receive continuous information about their child’s progress toward attaining IEP goals and objectives, appropriate California academic content standards and the PCOE program services provided to support their success in our settings and beyond. In addition, IEP meetings are scheduled annually or more frequently based on students needs, to develop students Individual Education Plan and develop stronger collaboration between home-school.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates.

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Indicator	School 2015-16	School 2016-17	School 2017-18	District 2015-16	District 2016-17	District 2017-18	State 2015-16	State 2016-17	State 2017-18

School Safety Plan (School Year 2019-20)

All Placer County Office of Education (PCOE) school sites are in progress of updating their 2019-2020 comprehensive school safety plan in accordance with Superintendent Policy 0450 and in order to fulfill the requirements of California Education Code 32280 through 32289. In compliance with SB 187 the plan will be reviewed and revised annually for each school site by the School Site Council/School Safety Committee, reviewed in consultation with law enforcement and first responders, and approved by the County Superintendent of Schools by March 1, 2020. Site safety plans are aligned with the National Incident Management System (NIMS) and California Standardized Emergency Management Systems (SEMS) utilizing the Incident Command System (ICS). Each document is prepared for the use of employees at a specific school site in the event of an emergency, disaster, or crisis situation.

At the beginning of each school year, School Site Councils/School Safety Committees update their site specific Emergency Plan. The site specific Emergency Plan includes the site safety plan, Placer County Office of Education's Disaster Plan, updated site maps/evacuation routes, and Emergency Medical Services Authority (EMSA) Emergency First Aid Guidelines for California Schools. Schools are issued first aid kits and "grab and go" emergency packs in the event of an evacuation and Emergency Supply Kits for use during lock downs or shelter in place situations. In addition, our school nurses work with staff & parents/guardians of students with special needs in order to provide medical emergency kits in accordance with their Individualized School Health Plans.

The safety plan was last approved by the County Superintendent of Schools in February of 2019.

Number of school days dedicated to Staff Development and Continuous Improvement	3	3	4

PCOE provides four professional development days annually, in addition to monthly professional development opportunities.

Current professional development includes: Professional Learning Communities (PLC), implementation of the Common Core Standards, professional development related to Positive Behavior Interventions and Supports (PBIS), Alternative and Augmentation Communication, the Unique curriculum, and The Nurtured Heart discipline.

All staff are required to report performance and data collection. Placer County Office of Education's Educational Services Department and the Special Education Local Plan Area both offer numerous classes and workshops to meet the needs of teachers and instructional assistants. New teachers receive support through the Teacher Induction Program.
